HEADMASTER'S LETTER

To my way of thinking, nineteen hundred and seventy-two has brought forth good changes at North Yarmouth Academy. There have been many demands placed upon you since your entrance in September but you have all accepted these demands gracefully, realizing that they would be of benefit to you and the Academy. These policy decisions, along with the senior class leadership, have brought about a more cohesive, hard working, highly spirited student body.

Looking back I am sure you will remember my edicts regarding hair, the weekend writing assignments, the new dormitory rules and the work program. You will remember the associations you have had with your teachers, the administration and other members of the North Yarmouth Academy family. I know you will not forget the excitement of our sports program, meeting and making new friends and the various activities that have taken place on campus. As Headmaster, I will always remember looking out my window at a group of teenagers having a great time sliding down the hill behind the dining hall.

I would sincerely like to extend to each and every member of the senior class my best wishes for a successful college career. I also hope you will remember that in a country such as ours there is a time in your life when you will have to give of yourself and be of service to your community in one way or another. Come back and see us often.

DEDICATION

In a school experience where courses and classrooms are traditionally unexciting, Mr. Hansen, through his lively delivery, lifts the academic routine out of its usual mundane status. By making his subjects come alive through his exuberant presentations, his classes are happy antidotes to many acute cases of senior-itis. His fairminded, liberal approach produceş the right atmosphere for creative discussions which frequently expand far beyond the prescribed text. Mr. Hansen has won the respect of his students because he does not seem to feel the need to pass judgement on their opinions, but, nonetheless, never hesitates to challenge their reasoning.

Therefore, in appreciation for the life he injects into a teaching process that can easily be too orthodox, the Class of 1973 enthusiastically dedicates this yearbook to Mr. Arthur Hansen.

INDIAN FUND REPORT

The Indian Scholarship Fund at North Yarmouth Academy has been very active this year. Fund raising has been restricted to soda machine proceeds, but plans for the spring include a motorbike raffle, an auction, plus the traditional spring work crew.

There have been two Indian students on campus this year. Joe Lazard returned for his second year, and was accompanied by our first co-ed on the Scholarship program, Connie Signor. Both are from Washington State and both have been Honor Roll students all year.

Through various fund-raising projects this spring and summer, we hope to sponsor one Indian student again next year.

FOOTBALL

First Row: Bradbury, Coach Burr, Brown, Jahn, Kowal, Drapeau, Coach Flaherty, Delaney. *Second Row:* McNaughton, Cuffey, Littell, Reno, Marchand, Aceto, Donaldson, Sharp, Mgr. Woodworth, Dube, Reid, Bassett.

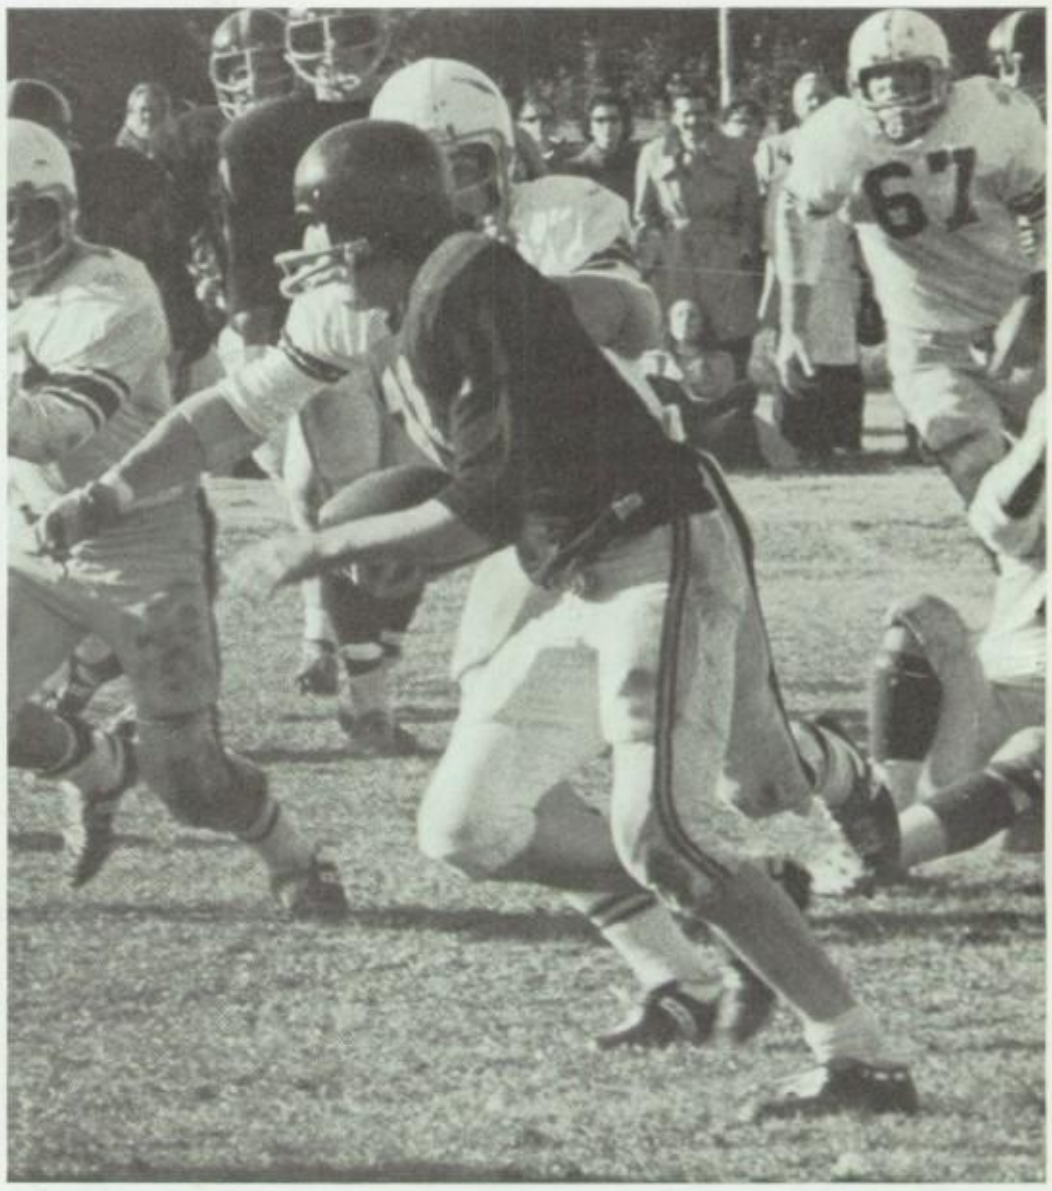
The season's record of 2-5, could easily have been reversed, with a few breaks and greater depth. In only two games, (St. Thomas Moore and Tilton), were the Panthers outmanned in squad size and experience.

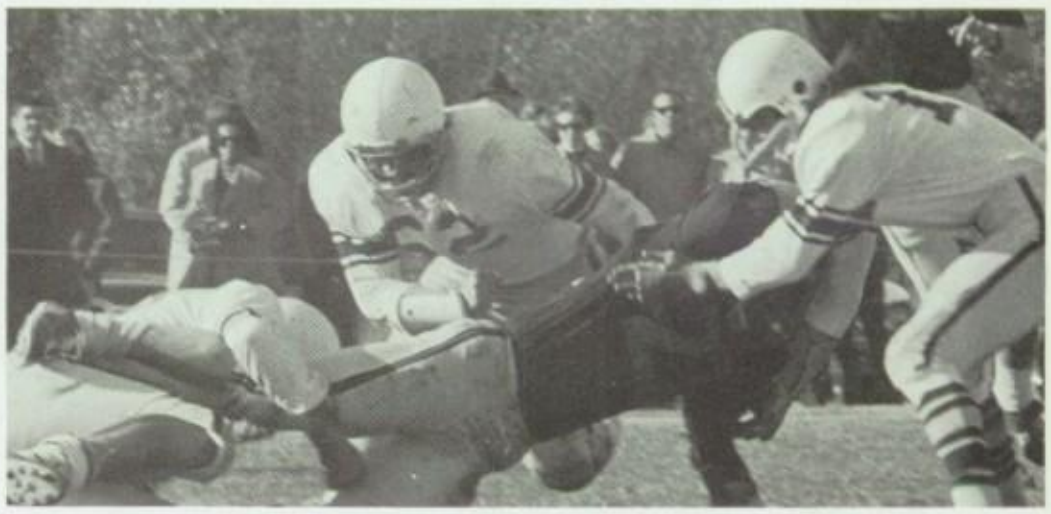
Sporting two returning veterans and ten experienced post graduates, almost every man had to play both offense and defense. With this thin squad, any injuries were deeply felt and were directly responsible for two defeats.

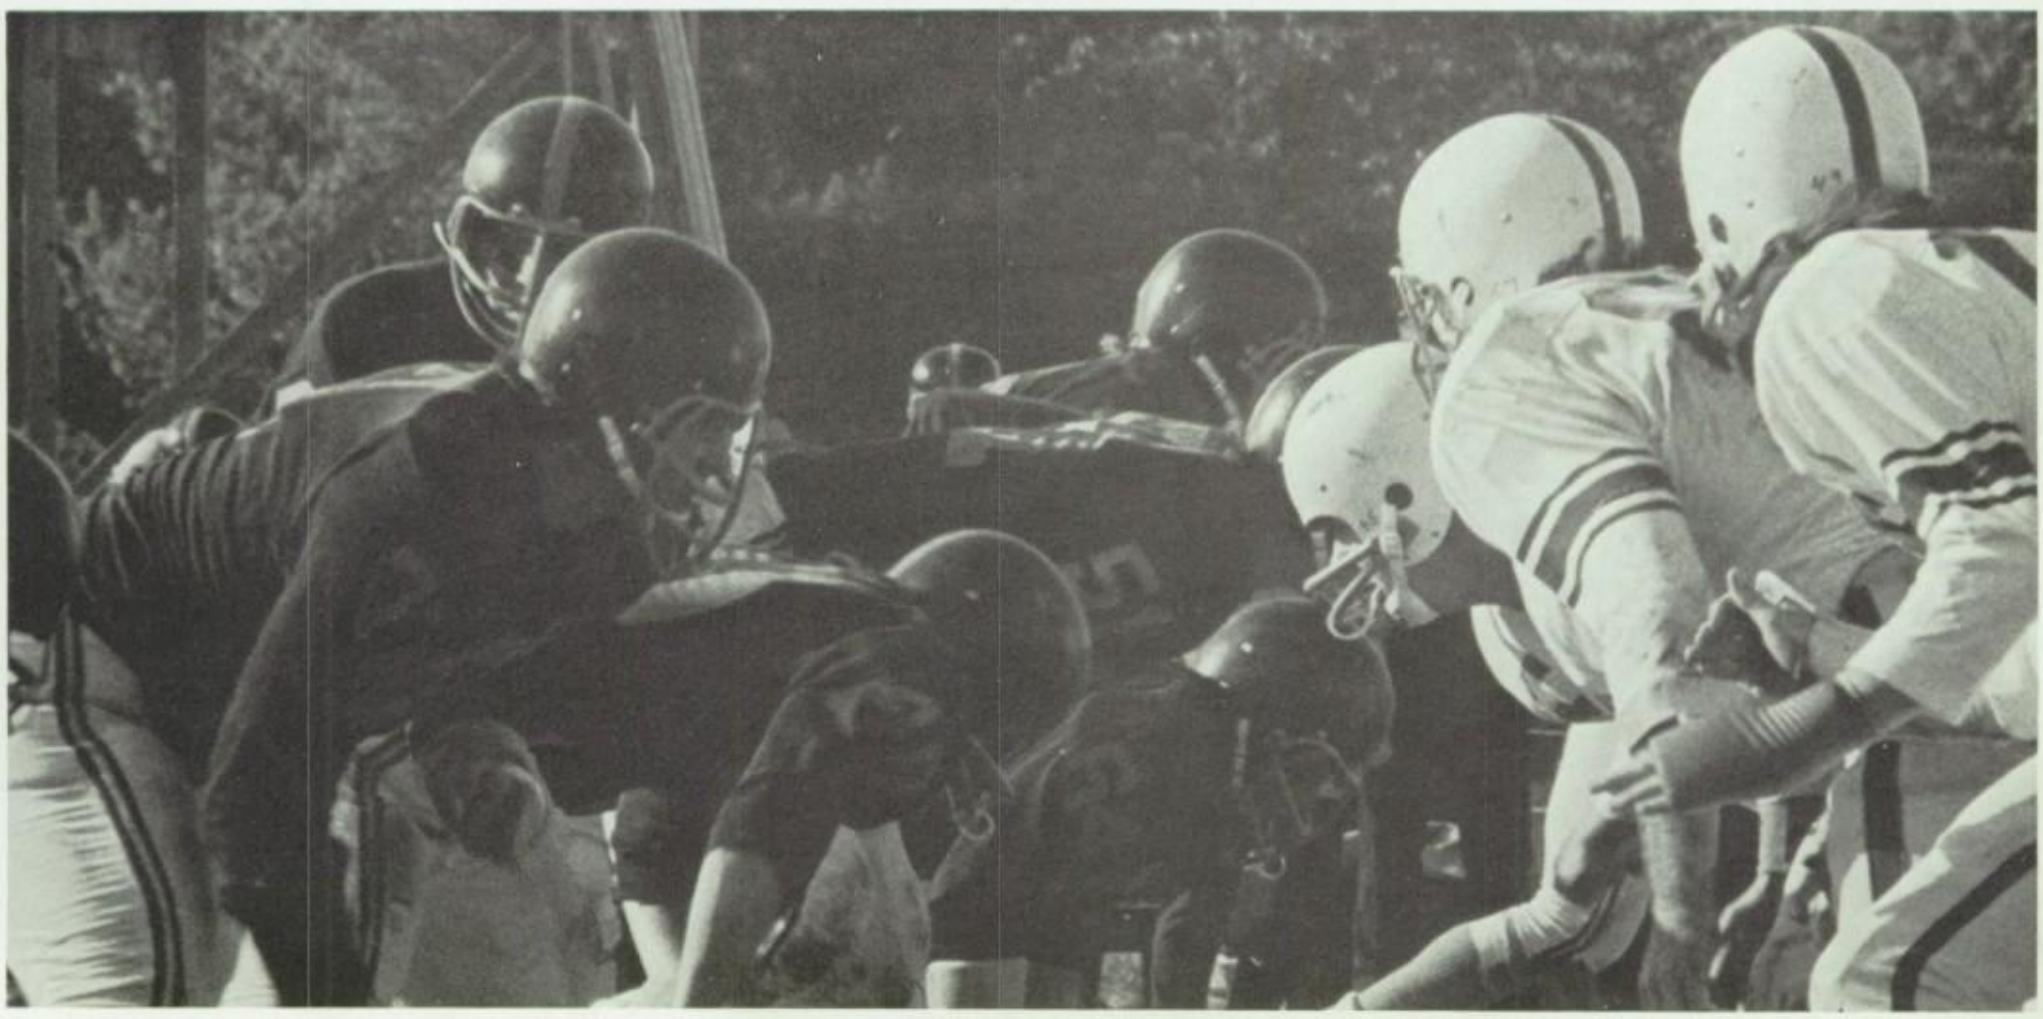
Highlights of the year were the 14-0 shutout of the Bowdoin Frosh, (North Yarmouth's first win ever over this team), and a sound victory over Hebron during Homecoming.

Scot Downs did a fine job quarterbacking, strongly supported by Andy Drapeau and John Delaney in running positions and Dave Brown as leading receiver.

Defensive standouts were Bill Aceto at tackle and Dave Reid at linebacker. Ron Marchand played defensive end for the first time in his career and showed why he was named Maine's Schoolboy Football Player of the Year in 1971, while a student at Biddeford High School.







VARSITY SOCCER

First Row: Crane, Bilodeau, Barber, Mauger, Hoffman, Blanchard, Lazard, McCleary, Heller. *Second Row:* Mgr. Signor, Galli, Cudlitz, Vroman, Koshliek, Dorsey, Bowles, Muench, Coach Pease.

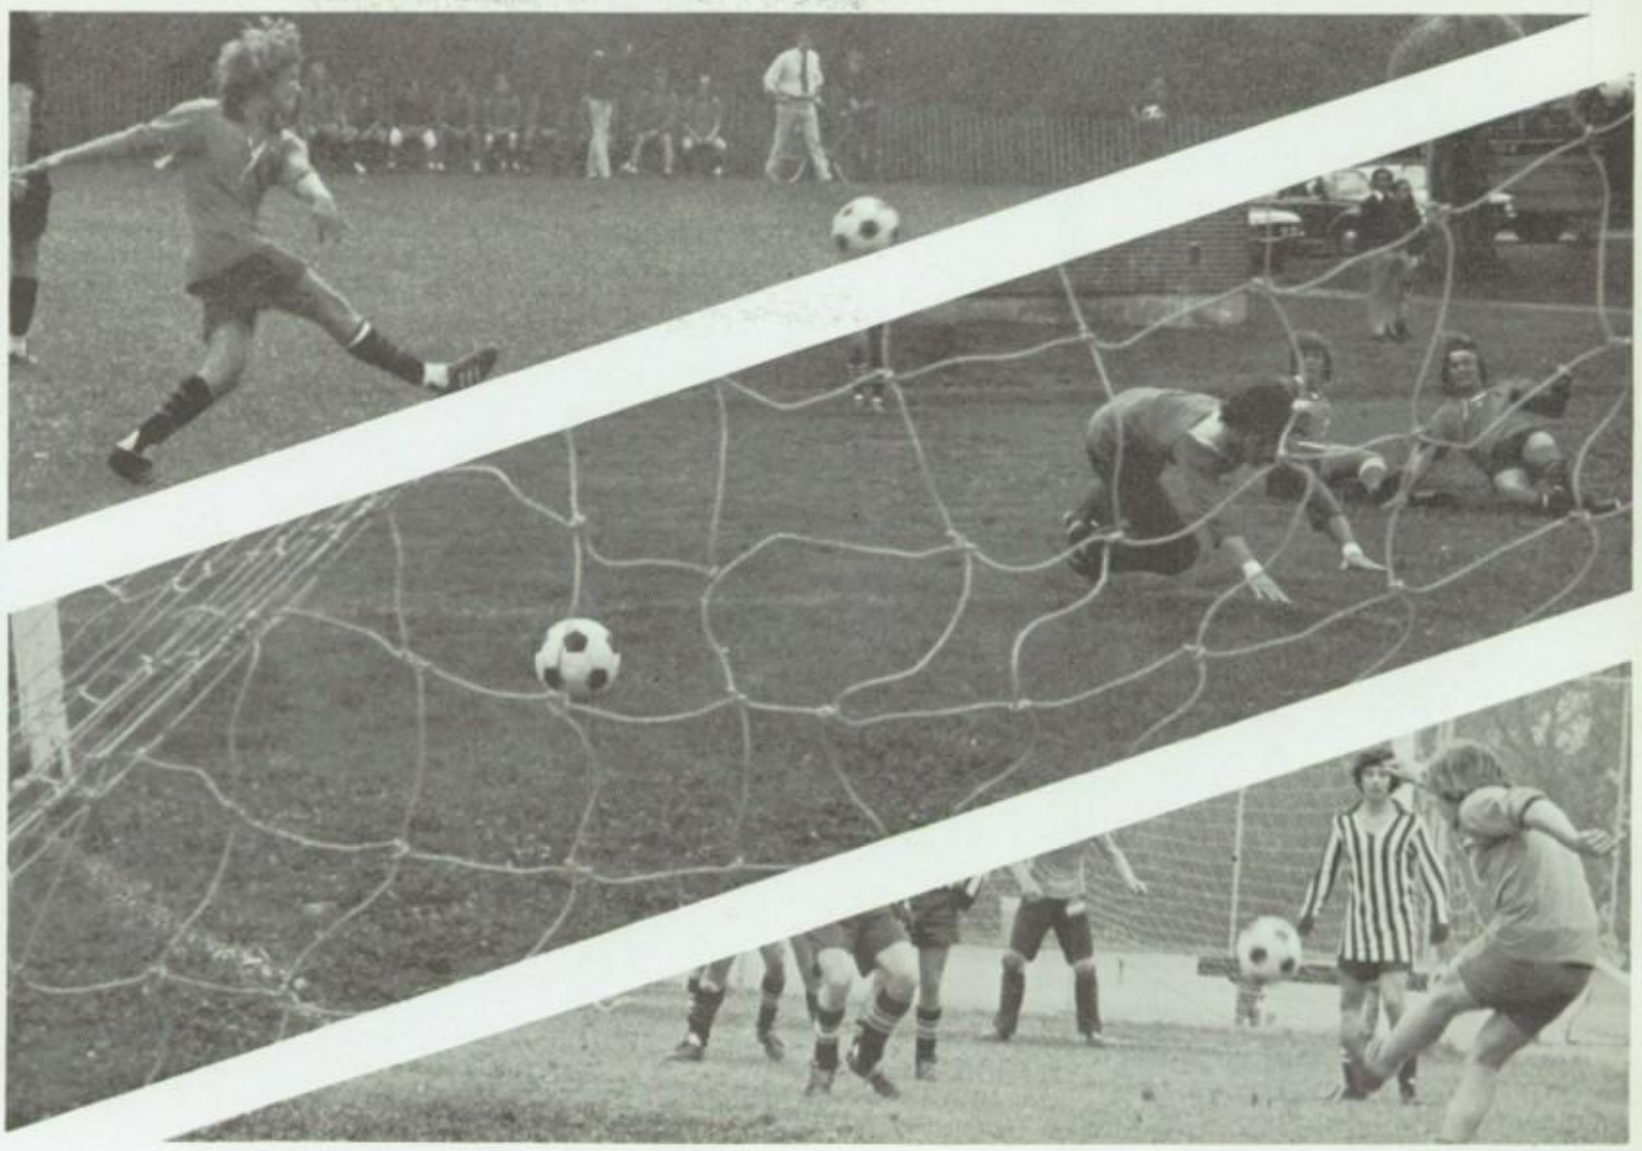
Varsity soccer completed another winning season with an 8-4-2 record, finishing third in the Maine Prep School Soccer League. N.Y.A. was only one half a point behind first and second places. Also, it should be noted that after losing the first league game and tying the second, the Panthers went on to win 5 straight finishing with a 5-1-1 record in league competition.

The highlight of the season was the homecoming game with highly-favored Bridgton. The game ended after a double overtime with a 0-0 tie. It was considered as one of the best soccer games played at N.Y.A.

The team was led by co-captains Jon Glasson, Ross Cudlitz, and Mike Reedy. Mike was named MVP by the team and selected as first string goalie of the league by vote of the coaches.

Other outstanding players were Jon Johansen, Mark Koshlick, Joe Lazard, Rick White, Jon Muench, Scot Blanchard, Sean Bilodeau, Brian Bowles, Andy Mauger and the most improved player, Bill Barber.

The coaches, Dave Pease and Jeff Neill, were ably assisted by manager Brad Signor. Returning lettermen for the next year are Dow Vroman, Ross Cudlitz, Tom Bate, and Art Galli.



JV SOCCER

First Row: Rice, Piper, Patterson, MacKenzie, Snyder, Fox, Miles, Innis, MacFarlane. *Second Row:* Kenneally, Hamill, Curry, Kellner, Webber, Thomas, Doran, LaMarque, Taisey, White, Scarponi, Scharf, Gennaro, Coach McKenny.

The Junior Varsity Soccer Team started off on the right foot by winning four out of their first five games. We then proceeded to suffer four defeats at the hands of teams we had previously beaten. Our Co-captains, Scott MacKenzie and Steve Murphy and our most improved player, Peter MacFarlane, were invaluable members of the team.

Practices were held at Bennett Field under the direction of coaches Tom McKenny and Stephen Morris. Both men feel confident that next year's team will be a stronger one due to many returning lettermen.

NYA!

FIELD HOCKEY

First Row: L. Thomas, Kimball, Tuttle, L. Thomas, Kellner, Sweeney, Baker, Vroman. *Second Row:* Coach Martha Soule, Baker, Sanders, Fox, Adams, K. Dube, J. Dube, Smith, Webster, Bradford, Lunt.

The second year of competitive Field Hockey showed great improvement, and unusual individual and team achievement. Although the wins were few, it must be noted that the girls competed against varsity teams this year.

The participation, co-operation, and effort were tremendous, producing a fine team with a particularly outstanding defense. Led by captain and most valuable player, Marion Sanders, the team ended its ten-game season with a spirited victory over Yarmouth High School.

Field Hockey certainly has found its niche at North Yarmouth Academy. If the enthusiasm, output, and sportsmanship remain high, each succeeding year should be as rewarding as 1972.

CROSS COUNTRY

First Row: Needham, Hansen, Plenk, Cohen. *Second Row:* Schulman, Hesse, Coach Burrall, Schweiker, Parigger.

The Cross Country Team had a year of rebuilding. With only one returning letterman, our season was one for gaining experience. Captain and most valuable player, Richard Schulman, gave a fine performance throughout the year. In the opening meet against S.M.V.T.I., N.Y.A. faced an older and stronger team. Rich Schulman came in second, only seven seconds behind the winner. His strong performance continued in meets against Kents Hill, Hyde, Hinckley and a duel meet with Fryeburg and Hebron. Eighth grader, Bruce Needham, improved steadily throughout the season, finishing sixth in his last meet. The remainder of the team; George Parigger, Eberhart Schweiker, Rheiner Hesse and Alfred Plenk were German exchange students who had never run Cross Country before. We appreciated their persistence and help. Carl Hansen, the last member of the team, improved throughout the season, and we look forward to a good year for Carl next year.

In the Maine State Meet, Rich Schulman came in eighth with Bruce Needham finishing 30th in a field of 60 strong runners. Bruce received the most improved player award.

Next year's season should be a much stronger one.

SKI TEAM

SKI TEAM

The Ski Team compiled an impressive 4 and 1 record this year. A close win against MCI started the season. Hooker Hildreth, voted most valuable skier, took second place in the slalom and ninth in the giant slalom. Co-captain Ross Cudlitz took a third in both events. Against Berwick, Co-Captain Jon Morrill took a first in the slalom and a second in the giant slalom, while Ross took a first in the giant slalom and fourth in the slalom. Carl Hansen, most improved skier, took fourth, and Co-captains Cudlitz and Morrill tied for fifth. In the Giant Slalom, Morrill took second with Hildreth fourth and Cudlitz fifth.

The team was sidelined a week with the flu and then a week's vacation, right after which The Maine State Prep Tournament was held. The team faced formidable competition and finished five points out of fourth place in a field of seven. At this point, the snow began to melt and practice was spotty. Several meets were cancelled, and finally the last meet was held with Hyde. Unfortunately the team did not have sufficient practice to maintain the earlier winning sharpness and suffered its only loss.

It was a fine season — and with better snow it could have been a great season. We all look forward to next year.

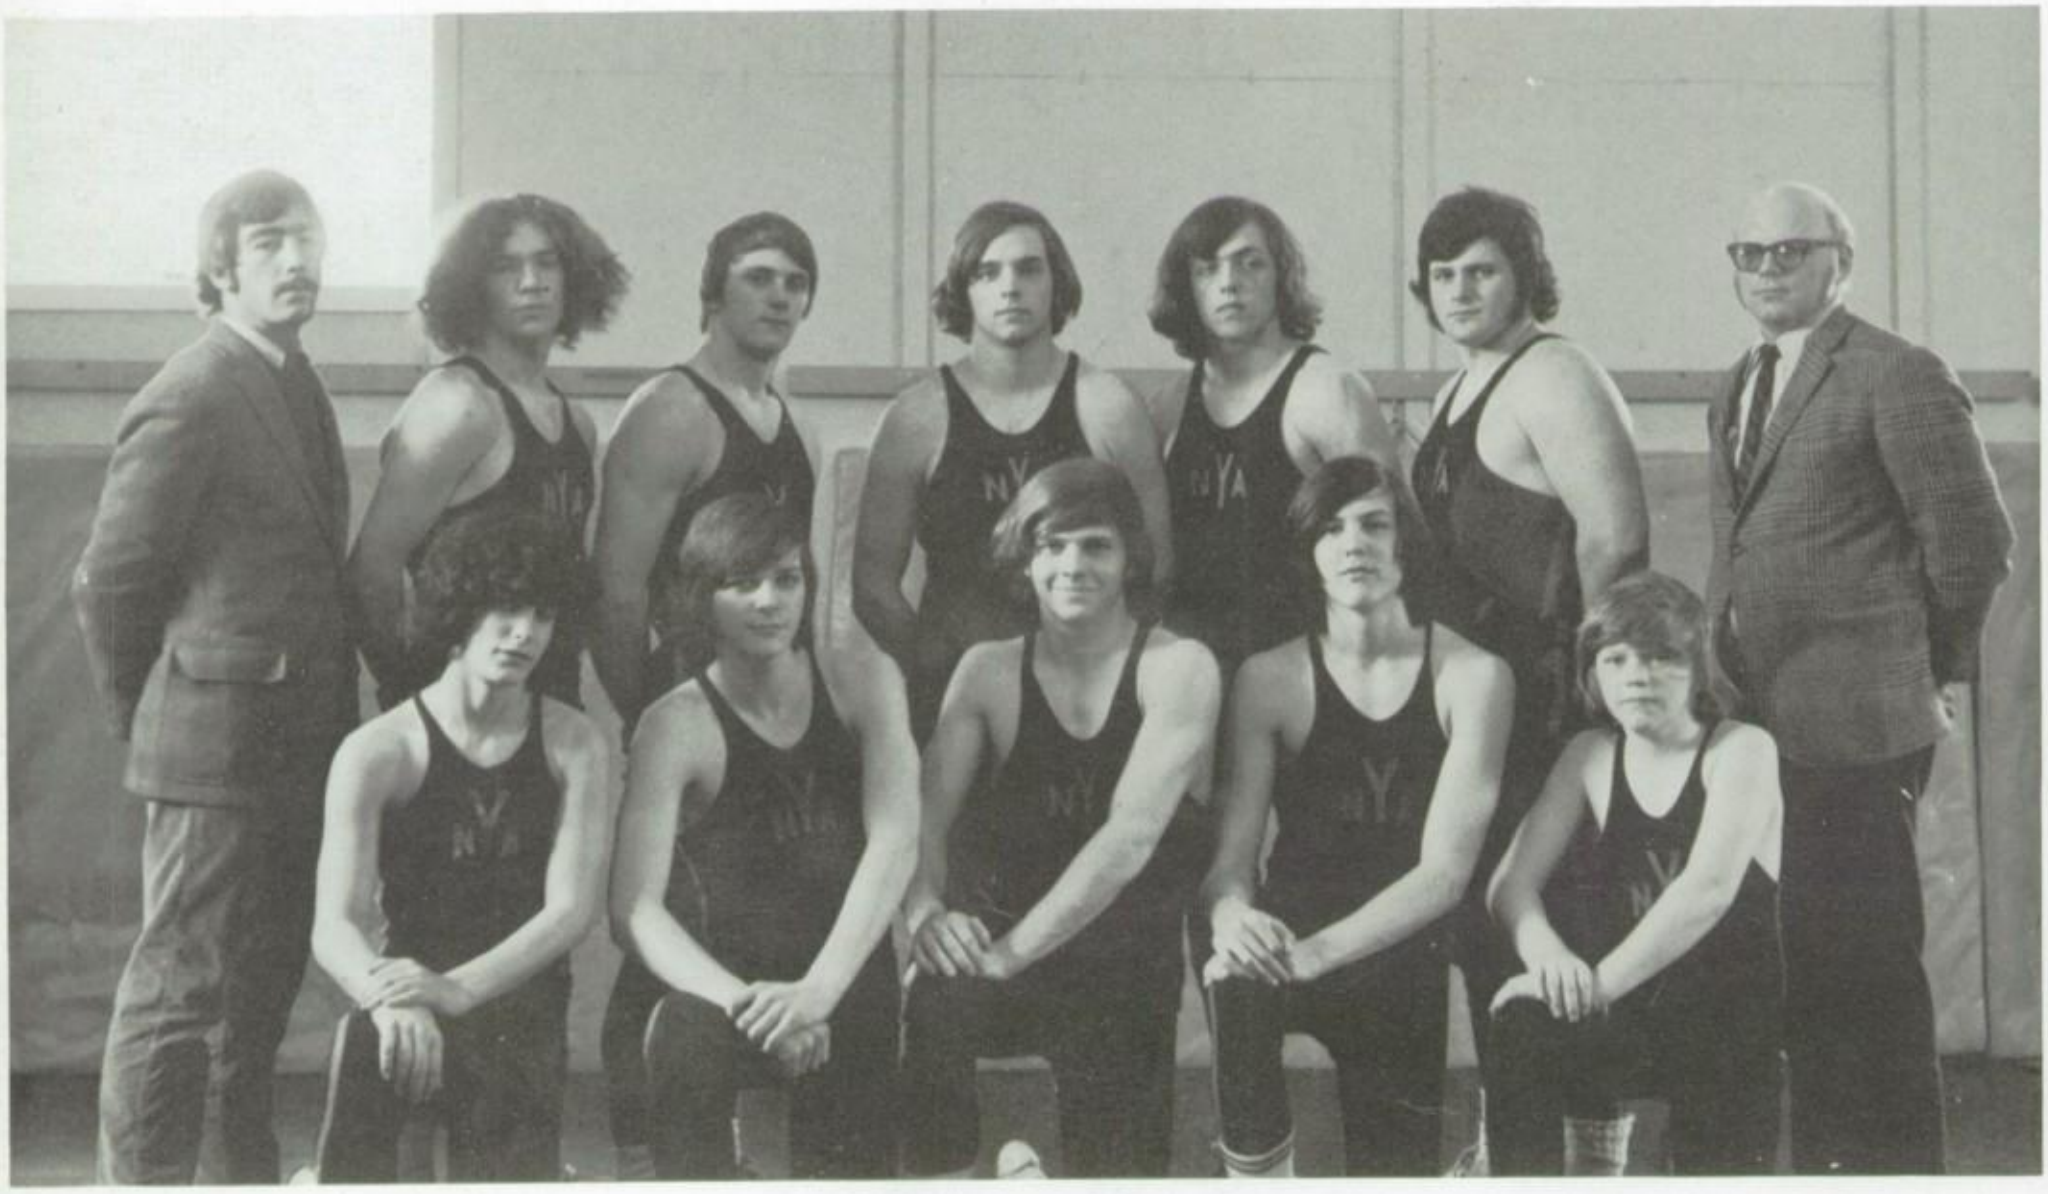
WRESTLING



WRESTLING TEAM

The 1972-1973 Wrestling Team is one that NYA can surely be proud of. It has, however, been very disappointing that only thirteen boys have been out for the teams, and that we have been unable to fill all twelve weight classes. It seems that many of our neighboring competitors have been in a similar situation and a number of informal meets were arranged. Our record in informal meets was 5-2, and in our only formal meet we had a loss to Hyde School in which we had to forfeit several weight classes.

Although lacking in numbers, the team has a fine nucleus of accomplished wrestlers. This was evidenced by our having six men in the finals of the Maine Prep tournament. It was a real highlight having the tournament held at NYA and our having four champions. Champions were: Jon Glasson at 138; Sean Bilodeau at 152; Scott Downs at 167; Bill Aceto at Heavyweight. Second places were won by Linc Merrill at 127 and Bob Swenson at 160. The team took second place and Sean Bilodeau was voted outstanding wrestler of the tournament. It was probably the greatest day in NYA wrestling history.

Much credit should be given to co-captains Bob Swenson and Sean Bilodeau. They gave exceptional leadership throughout the season. Bob was plagued by a series of injuries that kept him from achieving his full potential. Sean has been an inspiration to all. Not only is he the most skilled wrestler ever to put on an NYA uniform, but he has been an unusually fine co-captain and team leader. His knowledge of contemporary wrestling far exceeds mine, and all of us have benefited from Sean's being at North Yarmouth Academy.

The season's finale was the New England Tournament held at St. Paul's School in Concord, N.H. Four of the nine team members entered placed. Jon Glasson at 138 and Scott Downs at 167 won third place trophies. Bill Aceto at Heavyweight won a second place trophy — losing in the finals by a scant one point. Top honors went to Sean Bilodeau. Not only was he the 152 pound champion, but he was also voted Outstanding Wrestler for the entire tournament. Sean should have a great college career in wrestling ahead of him.

The boys that wrestled this year are an outstanding group of dedicated athletes, and we at NYA are truly proud of them.

VARSITY BASKETBALL

Standing: J. Quirk, R. Bradbury, Mgr., Coach Ray Johnson, M. McNaughton, T. Bate, C. Hulsey, D. Couture, A. Drapeau, D. Brown, S. Blanchard, J. Meader, Mgr., Coach Peter Shepley. *Kneeling:* Co-Captains R. Warren and M. Reedy.

The Varsity Basketball team enjoyed an excellent season finishing with 16 wins and 7 losses against tough competition. The team started slowly, splitting its first ten games. Gathering momentum, the team then won its next ten games in a row.

The highlights of the season were wins over Worcester Academy, M.C.I., and Bridgton Academy. The major disappointment was a loss to Bridgton, eliminating NYA from the New England Class "A" Tournament.

The leading performers for the team were Co-Captains Rodney Warren and Mike Reedy. Warren led the Panthers in scoring and rebounding, while Reedy was second in scoring and was the team's floor leader.

Other contributors were starters Dave Brown, Mike McNaughton, and Dave Couture, as well as "sixth man" Chuck Hulsey.

Rodney Warren was selected as the team's Most Valuable Player and Chuck Hulsey as the Most Improved Player.

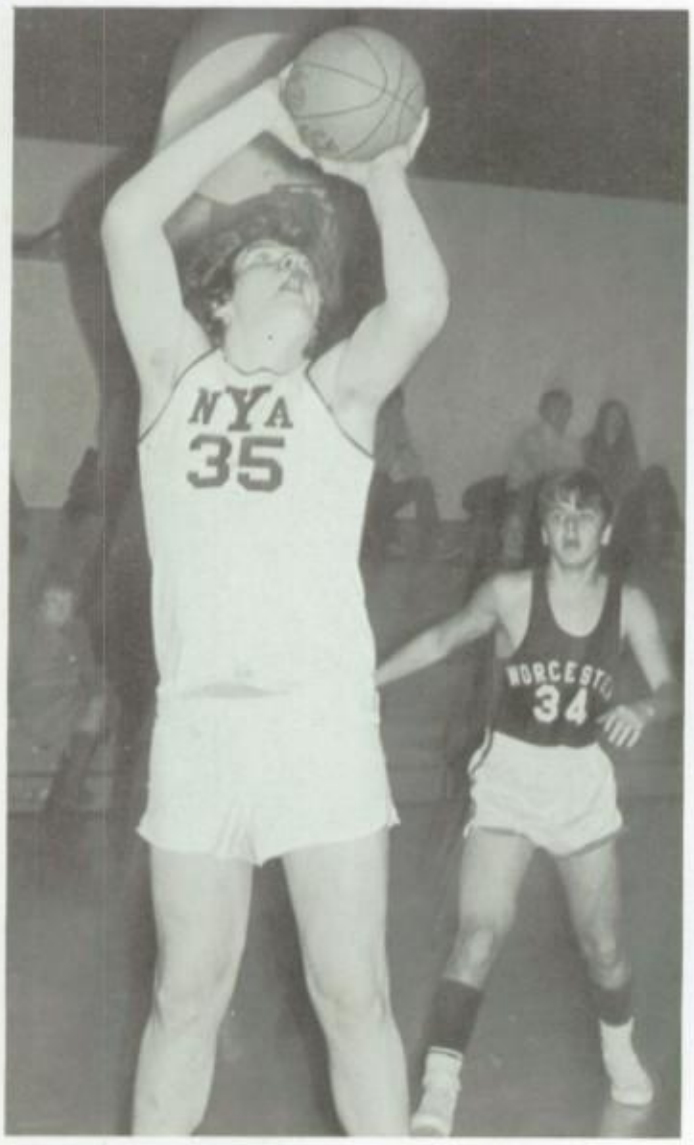
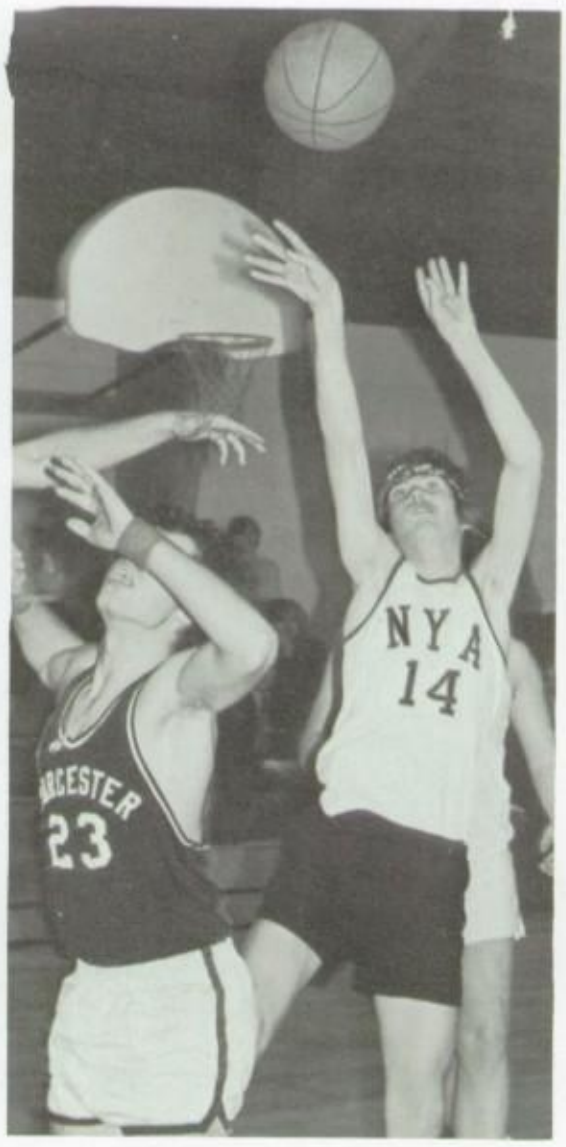
J.V. BASKETBALL





JUNIOR VARSITY BASKETBALL

The JV Basketball Team, although not enjoying a winning season, certainly deserved praise for the effort put into each and every ball game. Their improvement over the course of the season was recognized by all who followed them. A perfect example of that improvement was their series with the Kents Hill varsity ball club. The Kents Hill varsity beat the JV's 80-22 the first time they played, but barely got away with a 40-36 win at the NYA gym.

Wayne Jahn and Chris Littell were the honorary co-captains of the team, with Jahn also capturing the Most Valuable Player award. David Rice richly deserved the Most Improved Player award — although almost everybody on the team improved. I congratulate the JV team for a fine effort and urge them to keep shooting.

HOCKEY

Hockey Program, 1972-1973

The North Yarmouth Academy Hockey Team for 1972-73 posted an 0-5-1 season. This is not an impressive record by any means, but because of poor weather and sickness this year's team did not really have a full chance to test its potential.

It was a building year with a large percentage of its members new boys from the freshman and sophomore classes. The team's co-captain, John Delaney, and Jon Johansen along with other returning lettermen, provided a nucleus from which to build a team that tried to represent NYA well. Hampered by very poor weather conditions which allowed only six home practices, the team remained in good spirits and continued to play with the hope that next year will bring improved weather and rink facilities.

GIRLS' RECREATIONAL GYM

Girls' Recreational Gym was in the experimental stage this year. The plan was for the girls to utilize the gym playing various sports such as volleyball, basketball, using the trampoline and doing exercises led by Mrs. Jackie Neill. Despite having to duck an occasional flying basketball (as we shared the gym with the boys' jayvee basketball team), there was a lot of laughter and plenty of exercise!

Friend

The measure of a man is not taken easily, nor is it easy to put into words the sorrow felt at his death. This is doubly true when the loss is shared by a close-knit school community, where Theron Loose meant many things to many people.

He was head of our Science Department, and made his leadership felt in quiet, constructive ways.

He was a thorough, dependable teacher, constantly working for the good of his students.

He was devoted to his family, a good friend to the faculty and students, and a warm-hearted host.

His interests were wide-ranging, and he set the highest standards for himself in whatever he did.

We honor his memory, and we shall miss him greatly.
